

## COACHING

# Mission Statement

The Grand National Archery Society's Coaching Organisation will provide World Class coaching to all members of the Grand National Archery Society.

## Method statement

The provision of World Class Coaching will be delivered by dedicated licensed coaches, to enable people in the sport of Archery, regardless of age, race, sex or ability, to fulfil their potential.

All coaches who hold a GNAS licence to coach will subscribe to the ideals of World Class coaching by committing themselves to continuous professional development, using the guidelines as set out in the GNAS Coach Education Programme and working to the requirements of the UK Coaching Certificate.

By accepting the GNAS licence to coach, Coaches undertake to work within the sport's Code of Ethics and Child Protection Policy.

World Class in Coaching will provide Excellence in Archery.
